A child's drawing in the background of the first section shows a yellow sun with rays at the top. Below it are two figures: one on the left with blue scribbles and one on the right with red and blue scribbles. The ground is represented by yellow scribbles at the bottom.

WL Coller, established 1939, a Manchester based, family run independent paper merchant & manufacturing stationers supplying the education sector, reprographics, stationers & signage companies.

We carry a huge range of products from laser printer papers, tinted paper & board, digital inkjet papers to display products. We also carry most stock lines in depth to ensure we are always able to service our customers requirements.

A child's drawing in the background of the second section shows a house with a red roof and red walls. There are four windows: two on the top floor with blue scribbles and two on the bottom floor with blue and pink scribbles. To the left of the house is a yellow tree, and to the right is a pink structure. The ground is represented by yellow scribbles at the bottom.
